We ♥ Our Schools

Families + Teachers + Kids

Together, we can make it a great school year!

Bounty and School Family Media know that inspired, supported teachers and involved parents and families make all the difference in successful schools. Thanks for all you do. Read below for more great tips and use the thank you note below to let your teacher know how you're helping.

Involvement Counts!

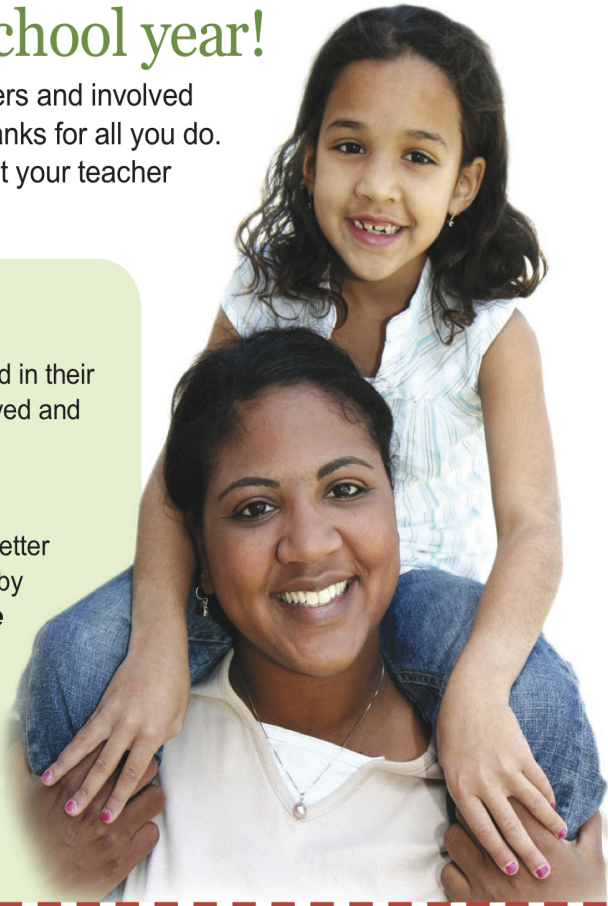

Your children get the message when you show interest in their school and in their studies. Ask questions, call or email your teachers, volunteer... get involved and stay involved. **Learn more at SchoolFamily.com.**

Clean Matters!

A recent **Bounty** survey found that 94% of teachers say students learn better in a clean classroom. You can help to keep your child's classroom clean by contributing some basic items such as Bounty paper towels. **Learn more at TeacherWishList.com.**

Teachers Rule!

Want to make it a great year? Ask your child's teacher exactly how you can best help. Should you help with homework? How? Can you help in the classroom or on a field trip? **Ask and learn!**

Thank You!

Dear _____,

Thanks for sharing your wish list! We are supplying the following item(s) from your list:

If there's anything more we can do to help make a difference in the classroom, please feel free to call or get in touch. Our entire family is looking forward to a great, successful school year.

Thanks for all that you do!

Sincerely,

X _____
